

**Klausur in Thermodynamik und Wärmeübertragung I und II
für Studierende des Maschinenbaus, schriftlich**

ALTE PO

Exam on Tuesday, March 17, 2020

When:	Part I	08:00 to 10:00
	Part II	11:30 to 13:30

Registration: Monday, November 18, 2020 to Monday, March 9, 2020 (inclusive).

Registrations after March 9, 2020 are not considered!!

De-registration after the Deadline of registration, is possible by coming personally to the "Sekretariat" or before the start of examination, in the examination room. In this case, you have to come additionally to the "Sekretariat". Registrations or de-registrations via telephone or e-mail are not considered.

Where: Monday march 16, 2020 you will find the examination rooms posted.

How to register:

Online: registration to PN 126 part 02 (HIS System). ENTECH PN 1329.

Pre-requirements: you have to pass (means: got a „+“) the required tests/ „Vorleistung“ in **PN 124** for tests in Thermodynamics I and in **PN 125** for tests in Thermodynamics II.

If you cannot register online, you have to solve the problem in advance, between the official time of registration, at the SLE or at the SCM office or at the PA-Mach.

Without an official registration to the exam there is now way to take part at the exam.

**The institute will provide the sheets of paper for the exam. Please write on each sheet of paper your name, surname and matriculation number, on both sides.
Please note: sheets without this information are not considered.**

Please bring with you:

- Student card
- A sheet of paper (DIN A4) written on both sides with formulas,
- Pocket calculator on which a re-set is necessary, ruler or standard triangle.

That is all you need.
