

**Klausur in Thermodynamik und Wärmeübertragung I und II  
für Studierende des Maschinenbaus, schriftlich**

## **Thermodynamics I**

**Exam on Friday, August 21, 2020**

08:00 to 11:00 (3 hours without a break)

**Registration for Pre-requirements** (with deadline!):

From **Monday, May 4, 2020** to **Thursday, August 13, 2020 (inclusive)**

**Registration for the exam** (with deadline!):

From **Monday, May 4, 2020** to **Tuesday, August 18, 2020 (inclusive)**

**Registrations after these deadlines are not considered!**

De-registration after the Deadline of exam-registration, is possible by coming personally to the "Sekretariat" or before the start of examination, in the examination room. In this case, you have to come additionally to the "Sekretariat". Registrations or de-registrations via telephone or e-mail are not considered.

**Seat assignment: Thursday, August 20, 2020, by personal e-mail**

**Online exam registration:**

Students enrolled through QUISPOS do online registration: to **PN 949 part 02 for Thermodynamics 1**  
ENTECH to **PN 1329**.

Pre-requirements: you have to pass (means: got a „+“) the required tests/ „Vorleistung“ in **PN 124** for tests in Thermodynamics I.

Students enrolled through CAS do online registration: **76-T-104747, englisch for Thermodynamics 1**

Pre-requirements: you have to pass the required tests and the positive result "Vorleistung" the institute has to write it in advance in **PN 76-T-Mach 105204** for tests in Thermodynamics I

If you cannot register online, you have to solve the problem in advance (!!!) until the DEADLINES at the "**Prüfungsausschuss**" (**PA-MACH**) or **InSL (former SCM)**. If you get a paper for registration, please come personally with it to the "Sekretariat" for the registration.

**Without an official registration to the exam, there is now way to take part.**

**The institute will provide the sheets of paper for the examination and please write only on these! Please write on each sheet of paper your name, surname and matriculation number. Please note: sheets without this information are not considered. All sheets of paper are returned at the end of the exam.**

**Please bring with you:**

- Student card
- Optional: your own sheet of paper (DIN A4) written on both sides with formulas.
- Pocket calculator on which a re-set is necessary, ruler or standard triangle.

**That is all you need.**
